

## Little Heath and Theale Green Schools 2010/11 Academic Year

The S-prefixed school services operated by Reading Buses will be withdrawn at the end of the 2009/10 academic year.

The good news is that they will be replaced by brand new routes operated by the Green Bus Company. You will still have the same familiar drivers!

Full details of these new routes, fares and how to get your season tickets can be found at The Green Bus Company website [www.thegreenbus.co.uk](http://www.thegreenbus.co.uk).
