Easysaver 10 – £15

What is an Easysaver 10?

Easysaver 10 is the new and easy way to travel with Reading Buses. It's 10 single journeys (within Area A) for £1.50 per journey – a 20p per journey saving, that's over 10% off!

How does it work?

Easysaver 10 is ticket on an Oyster®-style card, called a Smartcard. It counts down your 10 journeys each time you use the card.

What is a Smartcard?

A Smartcard is an Oyster®-style, credit card sized electronic card that saves you the hassle of carrying cash for your bus journey. It also means you don't have to find the exact change for your journey.

How do I buy my Easysaver 10?

Easysaver 10 is only available on a Smartcard. If you don't have a Smartcard find out more about how to get one at www.reading-buses.co.uk/smartcard or pick up a leaflet.

If you already have a Smartcard you will need to go to the Travel Centre, Broad Street Mall or Head Office, Great Knollys Street to buy your first **Easysaver 10**.

How do I use it?

When you get on the bus, you place the card onto the bulls-eye of the ticket machine. It will issue you a handy ticket that tells you how many journeys you have left on your card. That way you'll know when it needs topping up.
