Travel the Smart way

It's the smart way to travel - all on one card

So, what is a Smartcard?

A Smartcard is your easy way to travel. It's an electronic card that can be loaded with:

- Money – your e-purse
- Tickets

You can pay for your ticket or add money to your Smartcard using cash, cheque or debit/credit card

No need to carry cash!

e-purse

You can use your Smartcard as an e-purse. By adding money to your card you don't have to carry cash for your bus journey. You also never have to find the right change as the fare you choose is taken off the card by the bus driver.

Tickets

If you buy a weekly, monthly or quarterly ticket you can load these onto your card. So no more hassle looking for your paper ticket...you can load your ticket onto the card. The number of days on your ticket simply counts down from the first day you use your ticket.

Load money or tickets onto your Smartcard where you see this sign

If you want to load money or tickets onto your Smartcard you can visit our Travel Centre in the Broad Street Mall. However, if you think you will find it hard to find time to visit our Travel Centre in the Broad Street Mall, you can top up your Smartcard at over 200 PayPoint retailers in and around Reading and Newbury, where you see this yellow PayPoint sign.
