

Detailed timetables for the stops shown in red and Central Reading are shown in this leaflet

estimated journey time between points along route

Evenings and Sundays
 From Tilehurst Triangle onwards, a different route is taken in the evenings and on Sundays. You can get on at the same bus stops in Hildens Drive, Lower Elmstone Drive, Pierce's Hill and Westwood Road.

Premier Route 33, the dark blue route is your handy, frequent link into Central Reading from Turnham's Farm, Tilehurst, St Michael's and the Meadway on the west side of the town. The double deck buses have low floors with easy access for buggies, wheelchairs and people who find steps difficult.
