Welcome to your new-look yellow 26 into Central Reading from Calcot, Beansheaf, Ford's Farm and Southcote.

At Reading Buses we believe in making your journey as pleasant as possible, and in doing our bit to care about the environment. That's why we've introduced electric hybrid buses to yellow 26.

They're smart and comfortable, with a wide door, step-free entrance and a level floor downstairs. That's great if you're pushing a buggy, and we've created special spaces for them on the bus - remember to fold them up when the bus is busy and to allow a person in a wheelchair into the wheelchair space.
